

Jacksons 25 year guarantee

This Guarantee is in addition to your statutory rights.

Jakcure is treated timber which is guaranteed for 25 years from the date of purchase against damage which makes the timber unfit for the use for which it was originally acquired. The damage must have been caused as a direct result of either rot or insect attack.

Any Jakcure treated product so damaged within 25 years of purchase will be replaced free of charge.

To qualify:

The guarantee card must be returned for registration.

Timber damage by any cause other than rot or insect attack is not guaranteed.

The timber must not have been misused.

When timber is cross cut or drilled it must have been treated with **Cut and Treat®**.

Any timber subject to a claim must be returned for inspection with evidence of the date of purchase.

Limitations:

- 1 The only cost covered by this Guarantee is the cost of replacement of the defective timber. Consequential expenses incurred as a result of replacing the timber are excluded.
- 2 Timber which has been placed in abnormal conditions is excluded.
- 3 Timber which has been used for an extraordinary purpose which was not drawn to the attention of the Company at the time of purchase is excluded.

Timber Treatment Service

Jakcure Preservative

We are able to treat customers' own timber which requires the timber to be below 30% moisture content prior to treatment. Our vacuum and pressure treatment which is suitable for all carcassing timber and timber used in ground contact. There are various schedules used depending on the purpose for which the timber is required.

The treatment cylinder sizes are as follows:

Ashford 15m x 1.8m diameter

Bath 12m x 1.4m diameter

It is usual for customers to deliver the timber to our yard, either from their yard or direct from the ship and then collect it after treatment. Transport can be arranged for both collection and delivery if required at an additional cost.
